

GEO FLOORING

A modern interior scene featuring a brown armchair, a potted plant, and two side tables on a grey woven vinyl floor. The background is a dark blue wall with a window and curtains on the left. The floor is a light grey, textured material. The text 'GEO FLOORING' is overlaid at the top in white, and 'Soft Collection' and 'Woven vinyl by ntgrate' are overlaid in the center in teal and black respectively.

Soft Collection

Woven vinyl by ntgrate

SOFT COLLECTION

The *Soft* collection with *Greenfelt* eco backing.

Innovation never sounded so silent.
This innovative backing contains a felt layer for additional acoustic comfort.

Greenfelt reduces impact noise by 19 dB according to ISO 10140.

Available in 50 x 50 cm tile or roll format.
